Welcome to a New Business

Mister DipZ Cookies & Sweet Treats has come to a brick and mortar here in the Arts District at the Executive Plaza, just west of Northern Blvd. at 10707 E Winner Rd suite #100. Mister DipZ was established March 17, 2019 by a young entrepreneur, Frankie Beal, an 11 year old from Independence, MO. This youngster started his business with less than \$100.00.

He took a business class, a food handlers class, & Business Banking Account class, from there he landed an audition for Shark Tank. After the Shark Tank experience he received a lot of exposure and investors! He decided to bring something different to the community, so that everyone can enjoy it! His creative imagination that represents his culture of our society with flavors that enhance the five senses that satisfies the heart.

Mom, Sonja Beal, became a full time "Momager" and bought Frankie a food truck for his cookies and sweet treats in July of 2020. So Frankie became the youngest food trucker in the Metropolitan area. Sonja says being a momager has really motivated her not only to inspire others and touch others lives by saying anything is possible! She makes it possible that the food truck can make it to where they need to go as Frankie, is not old enough to drive. To schools, to nursing homes, to private parties, completion battles, work events, churches, Art Walks, and festivals. Where would you like them to come with their food truck? The BEST thing about our cookies & sweet treats are they are a GRAB-N-GO. There are over 58 different flavors you can choose from and you can dip them, stuff them, or top them, too! There are a variety of sweet treats in store, daily. Soon to offer much more. Come by and see us at 10707 E Winner Rd., Suite 100. Support our youth entrepreneur!

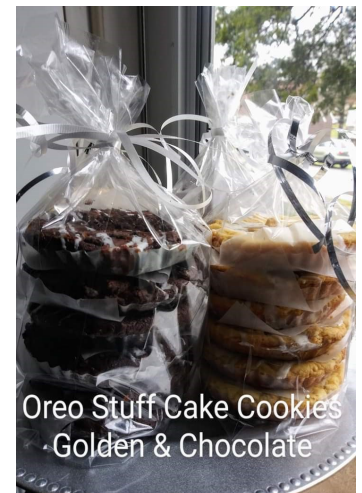

Mister DipZ is accredited with the BBB, the Independence Chamber of Commerce, the KC Star special edition of Black Business Week, Black Restaurant Week, and soon to be a new member of the Englewood Business Association.

What a warm Loving Winter we have had here in Englewood all the way up town, around the Square! A big Thank you goes out to WestInd Connection that made it possible for all of us to enjoy and share our love!

Thank you to all who purchased HeArts, WestInd Exceeds Expectations! They were pleased to announce that well over 300 hearts were sold this year! Because of these sales, WestInd Connection is able to donate \$5000 to Englewood Arts!

This completes their five-year pledge of donating \$10,000 to Englewood Arts. And they got it done in THREE years with an additional \$1000 donation! They couldn't have done it without YOU! Thank you to all who painted, prepared, and purchased hearts this year! We all LOVED seeing everyone's HeArts in their social media posts when you've found your heart and share the love.

WestInd is getting ready for their spring concerts, and has great things planned coming our way soon! Chalk the walk coming the end of April, Pride Walk in June, and the ongoing planning for the Sermon Anderson Project to find out more information go to <https://westindconnection.com>

Artist Palette “What’s the Point?”

Featured artist of the month at Englewood Row Gallery and Art Space is Robin Rice is a very parotitic gal she grew up in Liberty and

has lived here in Independence for 27 years. She has been drawing and painting most of her life. Using acrylics and watercolor upon occasion to create art, the medium she prefers is pen and ink. The technique is called pointillism or stippling for short.

Robin blends different colored dots to create texture, depth, and shape. Her inspiration is based on George Pierre Seurat, the father of pointillism.

Robin a graduate of the University of Central Missouri with a BS in Art education. She is semi-retired after 24 years in the Kansas City Public Schools. Currently she teaches 2 days a week at a private school.

Robin is very passionate about art, especially the strong women artists like Georgia O'Keeffe and Frida Kahlo who made their claim to fame when the dripline was denominated by male artists.

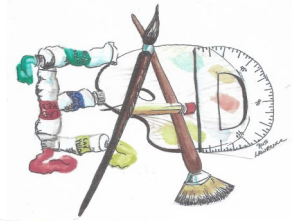

Previously Robin has shown in the Crossroads Arts District, the West Bottoms, City Market Coffee, and the Englewood Arts District. She has participated in the KCPT auction several being awarded honorable mention and even an overbid!
